Member Emergency Resource Committee Fund

The purpose of the Member Emergency Resource Committee (MER-C) Fund is to address immediate needs of OEA members undergoing financial hardship. The fund provides short term assistance, paid directly to the debt institution (e.g., OPPD, MUD, mortgage co., etc.), for members who would benefit from such assistance. The fund cannot provide long term support.

MER-C assistance is obtained by completing the below requested information and submitting the completed form to Cathy Nelson, MER-C Chairperson, via email – cathy.nelson@ops.org, (send in a sealed envelope) to OEA c/o MER-C, or OEA c/o MER-C, 4202 South 57th St., 68117.
