Omaha, Nebraska 68117

GUIDELINES FOR MEDIA AWARD

ELIGIBILITY

Any organization or individual involved in the print or electronic media, public relations and/or advertising is eligible to be nominated for this award.

NOMINATIONS

- May be submitted to the Executive Committee of the OEA Board of Directors, by any member of the OEA, or by any official OEA Committee.
- Executive Board will then make a recommendation to the entire Board of Directors no later than the regularly scheduled board meeting prior to the Laurels Night celebration.
- Upon the recommendation of the Executive Committee, the OEA Board of Directors may accept or reject the selection or determine that no award be given that year.
- All nominations must be submitted on the approved nominating form which may be accompanied by no more than ten (10) supporting letters.
- Nominations must reflect contributions during the 24 months prior to the presentation of the award.

REASON FOR AWARD

The presentation of a Media Award at the Laurels Night is to honor an individual or organization for outstanding contributions to Omaha students and/or teachers through the use of the local media. The award can encourage greater coverage of educational topics by the media, while honoring those people who have covered the education story in the past. The award should be made for a broad scope of work rather than for a single effort.

Omaha Education Association MEDIA AWARD

If you wish to propose the name of an organization or an individual involved in the print or electronic media, public relations and/or advertising, please send your nomination TODAY!
