

## **OEA Retirement Benefits Workshop Scheduled for March 15<sup>th</sup>**

Will you know enough about your benefits to make an informed decision about the many options you have at retirement? OEA-Retired and the OEA Retirement Committee will host a workshop on retirement benefits on Thursday, March 15, to help you make that informed decision. The workshop will be held at the OEA Office, 4202 S. 57<sup>th</sup> Street. The workshop will start at 9:30 a.m. and last until approximately 11:30 a.m. The seminar is being scheduled during the day because OPS staff will be on spring break during the week of March 12-16 so schools will not be in session. If you need directions to the OEA Office, you can request directions when you make your reservation. Coffee and cookies will be provided.

Roger Rea, member of both OEA-Retired and the OEA Retirement Committee, will again lead the session, and will present information on:

- How to estimate your retirement benefits
- Which of the six payment options might be best for you
- What are the buy-in and buy-back provisions
- Key items to remember as you prepare for retirement
- Health insurance after you retire
- The benefits of belonging to the Retired organizations

Mark your calendar now for March 15 and plan to bring a friend and attend this important informational session. The more you know about your retirement benefits, the better prepared you will be when you actually do decide to retire. Please call the OEA office at 402-346-0400 by March 9 to reserve a place at this session. Do it today!
