

Welcome back to the 2019/2020 academic year! A new year brings new things. Our negotiated agreement goes into effect on August 1st and insurance changes go into effect September 1. Many of you have asked for this information. While it was sent out at the conclusion of the CIR/RO hearing, it may have been lost over the summer. This table shows monthly employee and district insurance contributions.

Below you'll find a link to the video that we released in May that explained the new 2-year agreement in detail. Please watch it! If you have questions, please call the office at 402-346-0400.
