

Good afternoon and Happy 2020!

Every month after the adjournment of the AR, OEA will send a “Constant Contact” with a link for that months TipOff. Your AR will have a few hard copies to display on the OEA bulletin boards in your building or to lay on the table in the lounge to peak your interest! Please find the link to the January’s [TipOff](#) here.

Mark your calendar for the following events:

OEA Trivia Night- Friday, January 31, 2020 at 5:00 at the OEA (Make your team NOW!)

Student Loan Forgiveness- Thursday, February 13, 2020 at the OEA

OEA Day of Action- Monday, March 9, 2020 This is a great opportunity to have a conversation with your State Senators around educational decisions that are made in Lincoln that impact your classroom.

Call the OEA office to register your spot for these workshops and the OEA Day of Action, 402-346-0400.

Contact you state senator and impress upon him/her the importance of LB147. Visit the NSEA webpage to send that message!

Thanks for being AMAZING educators!
