

Happy Tuesday! It is hard to believe that the month of February is over, however I do welcome the nicer weather that we've been having.

The reason for this email is to notify of 6 important things...

1. OEA Day of Action- Is set for Monday, March 9th. We are set to leave the OEA office at 7:30 and be in Lincoln around 8:30. We will have a briefing at the NSEA building then head over to have conversations with our Senators. We will then have lunch and board the bus and be back in Omaha around 2:00. This is a great time to share your stories, make an ask to NOT cut educational funding. Please let the office know if you are attending, so that we can have an accurate count.

2. OEA General Election- Voting will take place from Tuesday, February 25th to Tuesday March 3rd. An email will come to your SCHOOL email address. A reminder will go out around Friday to cast your vote. If it is not in your inbox, it may be in your clutter folder or junk folder. Check those first and then, notify the office if you do not receive an email.

3. NSEA Election- It is that time of year to let your voice be heard and VOTE! The NSEA sent you an email on Friday to cast your ballot for various races on the NSEA side of things. This went to your HOME email address. Be sure to check your spam folders if you can not locate the email. The window closes Sunday, March 15th.

4. Just One Campaign- February 29th is the last date for membership before April. Be sure to get those forms into the office. Keep up the great work! Let's finish strong!

5. Interview Teams- If you are interested in serving on an interview team to identify the best candidate for OPS School Board, plan to attend the training on Thursday, February 27th at 4:45. If you are a middle school teacher, we are aware that you are participating in conferences. If you would like to still take part, please notify the office and we will provide you with information to participate.

6. OEA Meetings- There are many meetings that are being held, please check the OEA Calendar on the website to see what is happening. If you are interested in attending an Early Childhood meeting, they are meeting on February 27th at 4:30.

Thanks for all you do! Enjoy the nicer weather that is bound to happen soon!
