

Negotiations 11/17/2020

Colleagues,

Negotiations session 2 focused on insurance options. A presentation of new healthcare options was given by Greg Long of the EHA and Brett Young of Blue Cross/Blue Shield of Nebraska and questions followed. There were no counter proposals offered last night, and although OEA was prepared to share its financial package on Thursday, the district informed us that they do not have one of their own ready to share.

OEA has been aggressively looking at the proposals from OPS and preparing for our counter offers. Both sides were to meet on Thursday, 11/19, however without a financial proposal from the district the parties agreed that we will not meet at that time.

Be well,
