

VACCINE!
VACCINE!
VACCINE!

OUR sleeves are rolled up for it and
for the work to welcome students
back.

#Safety matters; shots first!

Please consider writing to both Mayor Jean Stothert and Dr. Adi Pour asking that educators be given access to the vaccines sooner, rather than later. With large class sizes in OPS, it's imperative that we protect our work force before welcoming students back five days a week.
