

Negotiations 1/7/2021

Colleagues,

OEA and OPS began the 7th session by discussing the proposals that were shared previously. There were some additional 'Tentative Agreements' made. Topics that were discussed were the salary proposal, Health Insurance and plan time proposal.

Both sides caucused multiple times and during the last caucus, it was decided to end the session for the evening, it was 8:00. The recording does not reflect that so you may feel that you missed something, you did not. We are close to the finish line. Be sure to take a look at the financial package during the presentation by the district.

The dedication from your team is remarkable and I applaud their effort to get the best contract for our teachers. If you have questions, message the Omaha-I Stand With Teachers Facebook page!

Be well,
