Hello OEA members,

Please see below for an organizing opportunity for union members this summer.

The Education Summer program is a paid organizing opportunity for NSEA members who want to gain knowledge and experience in building power for their local union. The length of the program is 8 weeks during the summer. The program is currently scheduled to run as follows:

- July 5-10: Week 4
- July 12-17: Week 5 (NSEA-U July 13-15)
- July 19-24: Week 6
- July 26-31: Week 7

**Organizers will earn a \$500 weekly stipend and work an average of 20 hours per week during the summer.**

Ed Summer organizers strengthen their locals by (but not limited to):

- Having lots of conversations with potential members about the importance of membership
- Organizing effective back-to-school events with focus on new employee orientations
- Engaging educators around issues that matter most to them
- Learning and using organizing skills to build power at the local level
- Building relationships with other educators from their affiliate and across the state

Apply here: <https://form.jotform.com/210525239531146>. After you apply, a local leader or staff member will reach out to schedule an interview.

NSEA and your local union are committed to recruiting a diverse organizing team that reflects our diverse membership. We strongly encourage all interested members to apply, including educators of color, LGBTQI educators, and other minority educators.

Thanks,

Robert  
OEA President
