

COVID VACCINE!

## COVID VACCINE CLINIC

COVID VACCINE!

Check your school mail for more information on available vaccines. There will be another clinic at Norris Middle on Saturday, March 13 from 9:00-5:00 p.m.

All staff, including daily and long term substitutes, have now received an invitation. This will be the last large, on site OPS clinic for first doses. Those who have had one of two shots should already have their second dose scheduled.

Enjoy the rest of your Spring Break!

Be well,

Robert  
OEA President
