Mark Your Calendar

As we enter the 4th quarter many are thinking about your classroom materials. OEA will be hosting an event called 'Finders Keepers' for our new hires on June 16th. We would like to offer new hires the opportunity to collect items for their first classrooms. If you have classroom materials that are gently used, consider donating them to the OEA. We will begin collecting materials at the OEA and organizing them for our event. We all know that at the end of the year, a table in the staff lounge holds unwanted items for anyone to take. Why not share those items with first year teachers? More specifics will be shared, but wanted to make everyone aware of our event, 'Finders Keepers.'
