

OEA Members-

I wanted to share with you a few things before your well-deserved summer break starts. You will be able to disconnect from the laptop, social media and just spend time relaxing and enjoying the Nebraska weather.

- Thank you for completing the Comp and Benefit Survey. The information gathered will be very helpful as we prepare for our next round of negotiations.
- **There was an ERROR in the first survey that was sent out today! Please complete the one titled "CORRECTED LINK!"** We are asking you to complete an additional survey around the COVID-19 Response and Professional Development that was presented by the district. We do not know what the year will look like in the fall, but want your input on the virtual PD. The information that we gather, will be used to offer suggestions to the district as they begin to plan any other virtual PD. The survey will be open until Monday, June 8th. It will be sent to your home email, please check the spam/junk folders. If you do not receive the survey, please contact me and I will do some investigating.
- A reminder for you to DOCUMENT the 42 hours of PD before June 5th. Your administration can not require a designated set time for collaboration to take place. I am not sure it will be requested when we return but want you all prepared in the event it is requested. DOCUMENT, DOCUMENT, DOCUMENT!
- VIRTUAL AR training will be held on June 9th, 2020. If you know or think you might be an AR for your building in the fall, please plan on attending the training. Even if you have attended in the past, we ask that everyone attend yearly as there are always updates and changes and we want everyone to be on the same page when we start school in the fall. Please contact the OEA office at 402-346-0400 or email [lorrie.krejci@nsea.org](mailto:lorrie.krejci@nsea.org).
- OEA continues to work on your behalf. We are grateful for all you do and the dedication and support.

Be well,

Robert  
OEA President
