

Updated Information

Happy Halloween!

My apologies for sending another message, I try to keep it to one per week. However, this week there was important information to get out to membership. The following is the most current information we have regarding the COVID Booster opportunities as well as the Webinars that are being offered.

Teacher Planning Day

An important reminder... MONDAY, NOVEMBER 1st is a TEACHER PLANNING DAY! It is NOT a PD or TEAM Day. This day is for you to use how you need it. If there are questions, please reach out to Liz, Becca or me.

COVID Booster

There is no current plan for the district to hold booster clinics. Booster shots are available at your local pharmacy or through Douglas County Health Department.
