

Colleagues,

Just a quick message before the holiday festivities gets into full swing.

[TRANSFER WINDOW](#)

The transfer process is open and will close on January 18, 2022. An email from the district was sent out to all staff. OEA encourages everyone to apply for a transfer even if you are unsure. The email has all the details. This may be a great time to spruce up your resume or take a look at what is needed to apply for a transfer.

[SURVEY](#)

Thank you to everyone who completed the survey on the 'Remote Learning Day.' The data collected will be used to advocate for a change during an 'Inclement Weather' day in discussion with the district. Another survey will be sent out on the 28th of December, asking about any Membership Activities that you participated in this semester or would like to see the committee host.

We have read the comments from the survey and welcome the input that was shared. OEA will continue to advocate on the many fronts we find ourselves in. Though, we may not be in the classroom or trenches as you are every day, we are working on the many challenges impacting your classrooms that must be addressed with those making the decisions. It hasn't been easy, but we continue to push forward and to advocate for

what is right for you, our members, and the students you service. We know your job is extremely hard, we have never said it was easy. We are here to support what you are doing!

I hope that over the break you will make space to do what feels right to you to renew and recharge. I hope you have the opportunity to relax, connect with your friends and family and enjoy this break. You deserve this and so much more.

Happy Holidays,

Robert
OEA President
