Finders Keepers

OEA along with other locals in the Metro area will be hosting an event called 'Finders Keepers' for our new hires on June 15th. We would like to offer them the opportunity collect items to be used in their first classrooms. If you have classroom materials that are gently used, please consider donating them to the OEA. We will begin collecting them here at the OEA and organizing them for our event. We all know that at the end of the year a table appears in the staff lounge with unwanted items for the taking. Why not share those items with first year teachers? Gently loved materials are happily accepted. Help OEA share the LOVE to our new hires. More details to come.
