teams either in your building and across the district. There will be daily missions to complete. Points will be awarded accordingly, and prizes given out at the end of the week.

LAURELS NIGHT 2022

On May 1, we honored educators who are retiring this year as well as those who are celebrating 25 years of service to OPS. Those that are retiring and in attendance had 520.5 years of service to education, adding 150 years for those who were celebrating 25 years of service. That gave us a total of 670.5 years of dedication to public education. Again, that was just counting the individuals in attendance, there are many that could not make it. If you were not able to join us, you will be sent your award and program to your building. CLICK the **PROGRAM** button to the right to view the actual program.

FINDERS KEEPERS

OEA along with other locals in the Metro area will be hosting an event called 'Finders Keepers' for our new hires on June 15th. We would like to offer them the opportunity to collect items to be used in their first classrooms. If you have classroom materials that are gently used, please consider donating them to the OEA. We all know that at the end of the year a table appears in the staff lounge with unwanted items for the taking. Why not share those items with first year teachers? Gently loved materials are happily accepted. Help OEA share the LOVE to our new hires. **Items can begin to be dropped off at the OEA starting MAY 20th.** Click the button to the right to view the flyer.
