

Correction and Further Reminders

Mondays, are typically the day of the week that is either loved or loathed. For me, I enjoy them, Monday allows me to reflect on the weekend and look to the week ahead. With that being said, there is a necessary correction for the the Virtual AR and a few other reminders as we transition into October.

September 30th (Friday): The Compensation & Benefits survey will close at 5:00pm. If you have not yet completed it, please do so. The data collected will provide the Compensation & Benefits committee with valuable information that will be utilized in upcoming negotiations. Please share the provided link with other educators in OPS who have not completed it, **Comp and Benefits Survey Fall 2022: Class Size, Caseload, and Extra Duty**. *This survey is open to both members and non-members.* The survey will close at 6:00pm on this day. The more data gathered the more evidence that can be provided to the district regarding what you the teachers need and deserve.

September 29th (Thursday): CORRECTED DATE We are offering a virtual AR training from 6:30pm until 7:30pm. It will be the last training for building Association Representatives (ARs). If you would like to participate, please email Caitlin at the OEA office (Caitlin.Oconnor@nsea.org). Once registered, you will receive a link to join via ZOOM.

October 1st (Saturday): Come out to **Site One Taproom** (2566 Farnam St, Omaha) for some amazing food and beverage while supporting the Omaha Public Schools Foundation fundraising event for the OEA. Site One will graciously donate 15% of all food and beverage sales to the OEA MER-C fund. I will be there greeting the public. Come out, say "HELLO", and support a great cause.

October 3rd - 7th: Teachers' Week at the Durham Museum, an opportunity to win prizes for your school and classroom. Who doesn't like "Downtown Abbey" and the social intrigue. Here is a great opportunity to visit the museum, participate in a virtual workshop presented by the Smithsonian Institute, win raffle prize, enjoy a meal, and collect resources to use in your classrooms. To participate please pre-register using the provided link ([The Durham Museum - Teachers' Week](#)).

Have a great week. Remember you are each doing great things with your students are it does not go unnoticed by me

In solidarity,
Michelle
