

SNOW DAY - NO REMOTE LEARNING DAY - YES

There is a winter storm warning that will go into effect at 6:00am tomorrow morning, Wednesday, January 18, 2023, and extend through 6:00am Thursday, January 19, 2023. What does that mean for you? It means that OPS will hold a remote learning day.

In the event of an inclement weather day, teachers will be expected to synchronously teach remotely, from home. Please follow the provided link to view the OPS district inclement weather schedule. You will be expected to follow the schedule and take attendance accordingly. ([INCLEMENT WEATHER PROCEDURES](#))

OPEN HOUSE

The OEA would like to cordially invite the membership to attend our Winter Open House. The event will be held on Friday, January 20, 2023 at the Benson Theatre (6054 Maple St, Omaha, NE 68104) from 6:00pm to 8:00pm. It is a great opportunity to celebrate your membership and converse with civic and district leaders. The OEA leadership looks forward to visiting with you. There will be a cash bar available and Hors d'oeuvres will be provided along with coffee and tea.

PACE

Please consider attending the PACE meeting for this year's legislative kick-off. There are many proposed bills that will have an impact on public education. If you want to have a say in the

process, here is your opportunity to engage in that change. The meeting will be virtual on Thursday, January 19, 2023

Am I ready to give the public access to my classroom activities and exams?

How will the state retain and attract teachers?

Do I want public dollars going towards private schools?

If these thoughts concern you, then make plans to join the OEA PACE committee meeting!
