

OEA has been working with Lutheran Family Services to be able to provide a Teacher Support Group for OPS teachers. They do not have to be a member of OEA to participate in the program. This is an 8-week program that meets on a biweekly basis at Lutheran Family Services. Your participation in this program will not be available to OEA or the district. If we have more than 12 individuals sign up, we will work on the funding for another group.

Stay safe and warm,
Kathy Poehling
