

Due to the resignation of the principal, we have decided to stop the Benson West grievance from going to the School Board for a hearing. We will continue to support the Benson West Teachers and are proud of them for speaking up and standing strong to get what they deserve.

We will continue putting together an advisory board to discuss with the district the things that we need to be changed in order to keep the quality teachers we have in the district.

Please contact me if you are interested in being a part of the advisory board and continue to send in your letters and emails about what is happening in the district.

In Solidarity,
Kathy Poehling
