

Upcoming Events & Information

I sincerely hope that everyone came through all of the storms safe and sound. We have had many weather-related questions, so I want to update everyone.

- You can get paid the supervision rate for staying after to supervise students during severe weather. Supervision rate is \$20 per hour.
- If you had to supervise students over your lunch time and did not get a duty-free lunch, please talk to your principal to see how to handle it.
- There was a water main break today on Center Street. Therefore, Center Street will be closed from 60th to 72nd while it is being repaired. Unfortunately, this means that the graduation ceremony for both Bryan High School and Central High School had to be postponed until Friday.

If you are an AR:

- Thank you for all of the feedback on our meetings. I will take all of your ideas into the planning of meetings for next year.
- It is time to elect your ARs for next year. Please hold elections this week and turn in the results before Friday. This helps us to prepare for next year and train ARs over the summer.
- If you completed your incentive for this year, please turn in your paperwork to the OEA office as soon as possible. You can do this using OPS mail, regular mail, or dropping it off at the office.
- Thank you for all you have done for OEA this year. We would not be successful without our building reps.

We will be having two drive thru petition signing events coming up at the OEA office. The first one is tonight from 5-7 pm and the next one is May 28th from 11am-1pm. You can also stop by the OEA office to sign a petition during business hours.

One last thing, the amendments to the Bylaws passed. These Bylaw amendments will go into effect on August 1st.

Have a great summer!

Kathy Poehling
