NEA Member Benefits

Nebraska Webinar

June 11, 5-6pm ET / 4pm-5pm CT

This year, the Department of Education will conduct a one-time account adjustment, which will help borrowers count more of their past repayment periods towards forgiveness! While these adjustments will be automatic for most people, anyone with FFEL or Parent PLUS Loans must consolidate by June 30, 2024 or they'll miss out on this benefit!

The good news is that Savi, your student loan benefit as an NEA member, is hosting a workshop for Nebraska educators on [June 11 at 4pm CT](#) to help you understand the one-time account adjustments and take any necessary steps before the deadline! This workshop will help you:

- Learn what the adjustments are and how to benefit from them
- Determine if you need to consolidate your loans
- Take any necessary steps before the deadline
- Get started with the Savi tool and their free resources
