AT THE OEA  
4202 S. 57TH STREET**

**OEA is PROUD to announce the launch of the Pride in Action committee.**

This committee is the first of its kind in Nebraska and is long overdue. We understand that it takes a special kind of resilience to be both an educator and a member of the LGBTQIA2S++ community. As a member of Pride in Action, you will play a key role in increasing visibility, accountability, and inclusion within OPS. Our committee will gather the voices of Queer educators and aim to provide meaningful representation when issues arise. Pride in Action will be a collaborative voice and bring forward the challenges we face in a district where efforts for inclusion have failed to result in meaningful change. Pride in Action is a safe space where your voice, your presence, and your expertise is valued, celebrated, and amplified. Please join us as we step forward with authenticity and PRIDE.

Our first meeting will take place at the OEA office, 4202 South 57th Street, on Thursday, September 5th at 5:00 pm. Snacks will be provided. The purpose of this meeting is to gather, collaborate, and to create action steps. This committee is built by us, for us. We're bringing our voice to the table!

Feel free to reach out to me anytime. I am so looking forward to creating change with you!
