

Do you feel overloaded? Too much work and not enough time?

Remember the kickoff at the beginning of the year when Superintendent Ray said we were going to stop doing things that don't work?

Well now is your chance to let the district know what you want subtracted from your workload. Monday, November 18th at 5pm at OEA we will be putting together our list of things we want subtracted from our workloads. Come join us to give your input.

Have a great weekend and get those lists started!
