

Teachers are the most underappreciated professionals in society. This Thanksgiving, I want you to know how grateful I am that you chose teaching as your profession. Thank you for being a guide, a mentor, and an educator. Thank you for helping our students grow and learn.

We have a few opportunities coming up. The first one is "Don't go into the red" with Susan Estes from NEA Member Benefits. See the following flyer for more information.

Save the Date: December 10th at 5pm

Next November we will once again begin the negotiation process. In the past OEA has sent a survey to gather information from members, but this year we are doing things a little different. I will be hosting listening sessions over the next few months to get input from all of you on what you want to be included in negotiations next year. The first listening session will be on December 10th at 5pm. All members are welcome to attend. We will be hosting it at the Plumber's Union Hall at 4801 F Street.
