Updates:

I will be meeting this week with the district to discuss the issues we have been having with PLCs and late starts. OEA continues to work with the district to be able to provide clarification on the expectations of these days and make sure that we are using this time wisely.

The membership committee will be meeting Tuesday, February 25th at 5pm at OEA. We have recruited over 100 members this year and are continuing to get new members. We are in the Just One campaign right now and only need 17 more members to meet our goal. Please reach out to others in your building and let them know about the benefits of joining.

Bingo Night is this Friday, February 28th at 5:30pm. Make sure and invite others in your building. This event is open to members and non-members. See the flyer below for more details.

Comp and Benefits will be meeting Wednesday, February 26th at 4:45pm at OEA. We will be looking at details from other contracts and discussing research that was done. This meeting is open for any member to attend.

Our listening tour is continuing, and we are starting to see trends from the input from our educators. It is now time to work with community partners and share our stories from our classrooms. Please sign up for one of the March listening sessions. See the flyer below for registration and more information.

The Croker Group will again be at OEA on March 4th at 6pm to present a seminar on retirement. If you would like to attend or zoom in, please reply to this email.

Have a great week,
