

# Who's Who 2025 General Election

## ELEMENTARY CANDIDATES

I bring 17 years of experience serving students and families in OPS. I strongly believe in hearing ALL voices/perspectives and speaking up for what is right. I stepped up when there was a vacancy on our Board and would love an opportunity to continue serving the Omaha Education Association.

**Sarah Dragon**

My name is Jacob Goetz and I am a second year vocal music teacher at Liberty Elementary School. I would love to be your next elementary representative on the Board of Directors because I believe I can be a voice for new and upcoming teachers for our Omaha Public Schools.
