

Happy Summer!

Negotiations Survey Update:

The negotiations survey has gone out. Please make sure to have your voice heard.

It has also been brought to my attention that the link at the end of the survey does not work. I am including a link in this email. The negotiations team along with the comp and benefits committee are asking for your input. What would **YOU** like to see in our contract? Click on the link below to give them your ideas. This link is for members only, but you can use it more than once. The team is also inviting you to share your proposals in person at OEA on July 10th and 11th. More details will be coming.

Have a great summer!
