

## Negotiations Update

We received the final language from the district on Thursday that ensures that no member of our bargaining unit will have a decrease in pay for the 26/27 school year. We have turned that language over to our attorneys at NSEA and they are currently looking over all of it. We anticipate getting the language back today or tomorrow. If there are no changes, we will put it out for a ratification vote. If there are changes, we will have to wait a little longer for the vote so the attorneys can finalize the language.

In solidarity,  
The Negotiations Team
