URGENT CALL TO ACTION

Tomorrow the state legislature will be debating the state's budget. The budget has a decrease in funding of \$18 million dollars for special education and will take money from public schools for vouchers.

If you are not busy, please plan on going to Lincoln to talk to senators about how this decrease will affect your students and classroom. You will be reimbursed for mileage to Lincoln and NSEA will educate you on pulling your senator from the floor. They will even help you create what you want to say.

Please let me know if you are able to go and I will email you further details about where to park and the time to meet at NSEA.

OEA President
