Negotiations Update:

This week the counselors met with OPS leaders to discuss their job duty and expectations. The meeting went incredibly well and was very productive. The district leaders will be working on coming up with solutions to the concerns that were brought forward and will meet with counselors again in mid-June.

General Assembly Meeting at OEA April 14th from 5-6 pm. This meeting is open to all members, so please plan to attend.

AR representation and elections:

This year, OEA will be handling AR elections a little different. We will be taking nominations, recruiting ARs, and sending a survey monkey to vote for each school. Please consider running for AR in your building. The time commitment is one training during summer or the beginning of the year, monthly AR meetings on the second Tuesday of the month from 5-6 pm, and passing on information to the members in your building.

If you would like to run to be the AR in your building, please respond to this email with your name and building. If you can't, please consider asking a leader in your building to be the AR next year.
