In the event that the district achieves a savings of 10% or more between the contract years, of the total cost of health insurance, by virtue of change of health insurance carriers, the parties agree to reopen the agreement to renegotiate the allocation of the projected savings back into the contract for the relevant school year.

Retiring employees shall be separated from employment on the last duty day of the school calendar and shall be paid the balance of their salary for the remainder of the contract year on the next regularly scheduled payroll. For the term of this agreement, the retiring employee will be covered by the health insurance program until August 31. The retiring employee shall elect, on or before May 1 of each contract year, whether the cash value of the District's contribution to health insurance for the remainder of the contract year shall be paid directly to the employee as wages, subject to applicable tax withholding, or whether such cash value shall be contributed into the retiring employee's 403(b). If the employee fails to make an election, the District shall pay the amount as wages.

No covered employee who a) was employed by the District during the 2025-2026 school year, b) remains employed during the 2026-2027 school year, and c) elects the same health insurance plan coverage tier for both school years, shall suffer a reduction in gross pay for the 2026-2027 school year as a result of the increase in employee health insurance premium contributions. Affected employees shall receive an off-schedule salary supplement, distributed equally across regular pay periods, in an amount necessary to match the employee's gross pay for the 2025-26 contract year. For purposes of this clause, gross pay shall be defined as the covered employee's schedule salary plus any applicable Long Service Increment less the employee's health insurance premium contribution. This provision does not affect any employee's advancement on the salary schedule or qualification for the Long Service Increment.

2. Group Term Life Insurance

The District shall provide group basic term life insurance for full-time employees in the amount of \$25,000, effective the first of the month following 30 days of employment. Reduction of benefits will begin at age 70.

An employee who retires after completing all contractual obligations and begins his/her voluntary retirement before August 31 of the year of his/her retirement will continue to be covered by the group term life insurance program until August 31 of the year of retirement. The District's contribution to the premium cost for such period shall be paid to the retiring employee as wages upon separation from employment.

In the event of employment termination, the employee may continue coverage through portability with the district's insurance provider at the same premium rate as paid by the district.

The employees may also purchase additional coverage.

3. Long-Term Disability Program

The District shall provide long-term disability benefits for full time employees incurring long illness. This plan provides a monthly benefit of 60% of the employee's monthly gross salary, to a maximum of \$8,500. This monthly benefit will be coordinated with other benefits the employee may be eligible to receive. The benefit begins on the 91st calendar day following the date of disability approval. The program includes all full-time employees with 30 calendar days of employment.

For those employees who become disabled after September 1, 1978, the amount of Social Security benefits to be coordinated with the Monthly Indemnity Benefit provided under the Long-Term Disability Plan shall be based upon the Social Security Benefit in effect on the date of the initial disability award.

Any subsequent changes in the Social Security Law which result in an increase in Social Security benefits shall not be used to reduce the amount of Monthly Indemnity Benefit under the Long-Term Disability Plan.

Any change in dependent status after the date of the initial disability award will be considered in the computation of Social Security benefits payable, and the Monthly Indemnity Benefit payable under the Long-Term Disability Plan will be adjusted accordingly.

Employees who are disabled are allowed to continue participation in the Board of Education group hospitalization, surgical and major medical program for three months following the expiration of sick leave at Board of Education expense.

G. Flexible Benefit Plan

Premiums paid by the employee shall be made pursuant to a salary reduction agreement under the school district's Flexible Benefit Plan. Premiums are excluded from the employee's income and social security tax base and accordingly, are paid by the employee on a pretax basis. Employees shall execute any documents or agreements required by the school district as administrator of the Flexible Benefit Plan to effectuate the employee's election and agreement to pay his/her required premiums for group health insurance on a pretax basis under the Flexible Benefit Plan. Any employee who fails to file the required salary reduction agreement shall be deemed to have elected under the Flexible Benefit Plan to pay the required premiums for the health insurance coverage of the employee (and his/her dependents if applicable) through a reduction in salary, and the school district shall be authorized to reduce and withhold the required premiums from the employee's salary as a pretax contribution to the Flexible Benefit Plan.

H. Employee Personal Property Reimbursement

The Board of Education shall provide reimbursement for personal property of any full-time employee of the District if such property is stolen, damaged, or destroyed by assault, theft, vandalism, water damage, riot or fire on the school premises or at any official function of the school. Reimbursement will be provided, however, only if proper security measures have been taken by the owner to discourage theft or vandalism, and if said property was of instructional value in the classroom and approved for use by the building administration, or was damaged in the process of controlling discipline. No claim of stolen property, damaged, or destroyed by assault, theft or vandalism will be considered in an amount less than ten dollars and in no event shall the liability of the District assumed hereby exceed \$250 on any one occurrence per claimant. In the event of water damage, riot or fire, the liability of the school district shall not exceed \$500 per claimant per occurrence.

I. Salary Deductions

1. **Mandatory Deductions:** All deductions required by law will be made from the salary of wages of each employee. At the present time the following mandatory deductions include but are not limited to:

- Federal income tax withholding
- State income tax withholding
- Social Security tax withholding
- Retirement plan contributions
- Medicare tax withholding
- Wage garnishments (if applicable)

2. **Voluntary Deductions:** Any employee may, upon direct authorization by such employee, accepted by the School District, request voluntary deductions, which include but are not limited to deductions for tax-sheltered annuities, health insurance, vision insurance, supplemental term life insurance, credit union, flexible spending accounts, retirement buybacks, Omaha Schools Foundation, long-term care, and United Way.
3. **Omaha Education Association Dues**

In accord with Nebraska Revised Statutes (Sections 79-872, 79-873), upon request of any teacher, a deduction in the amount specified by the teacher shall be withheld each pay period from his or her wages and paid over to the professional or labor organization to which he or she belongs. This deduction shall continue each pay period until the teacher revokes his or her request in writing.

J. Direct Deposit of Checks

The District requires electronic direct deposit of employee's payroll checks. Written notification must be made to the division of Compensation and Benefits on a form provided by the school district. The deposit will be made at the financial institution of the employees choosing on each regular payday. Any certificated employee not enrolled in the program will be enrolled in a prepaid debit card program.

K. Tax-Sheltered Annuity

The Board will continue to authorize eligible employees to make contributions to tax-sheltered annuity plans of authorized private companies through established payroll deduction procedures.

IV. LEAVES OF ABSENCE

A. Sick Leave and Payout of Accumulated Sick Leave

1. Sick Leave

All full-time professional employees of the District shall be entitled to an annual sick leave allocation equal to one sick leave day per month, up to ten (10) sick days per year, with the total annual allocation being made available for use at the beginning of the fiscal year. Eligible employees accumulate sick leave until they have reached the maximum

accumulation for sick days. The maximum accumulation for sick days is 127 days for all full time employees.

Employees who reach the applicable maximum shall no longer accrue sick leave. Once the employee's sick leave balance falls below the maximum, accrual shall commence again until reaching the maximum. Any otherwise eligible employee who is on a leave of absence shall not accrue sick leave while on a leave of absence.

The employee's accumulated sick leave may be used for the illness of an immediate family member. Immediate family member will include the employee's spouse, children, parents in a care facility, or an individual who is a permanent resident in the employee's home or for whom the employee has specific legal responsibility.

Any employee with maximum accrued sick leave will maintain the accrued days during the last year of employment prior to retiring unless more than 10 days of sick leave are used.

Whenever a first-year employee resigns within the first six months of employment, the employee is obligated to repay the amount of any sick leave benefit paid in excess of one day per month of actual employment.

Sick leave shall only be granted to employees for days when they are medically unable to work due to personal injury, illness or pregnancy-related conditions. Such conditions shall be certified to the central office by principals or other authorized supervisory officers who may require a physician's statement to support their certification. The Superintendent may designate a second physician to conduct an examination to confirm the opinion of the employee's physician.

The employee shall notify his or her immediate supervisor and the Department of Talent Services when a condition requiring an extended period of absence becomes known. Conditions requiring such notice include planned surgery, pregnancy, or a major illness. The employee shall also furnish a letter from his or her physician confirming the condition and stating the physician's opinion as to the employee's physical or mental ability to continue employment, the date of scheduled surgery or expected delivery, and the date beyond which the employee should not continue working.

2. Payment for Accumulated Sick Leave

Beginning with employees retiring during the 2005-2006 school year, an applicable dollar amount of the unused sick leave accumulated by a full-time certificated employee who resigns or dies after 18 creditable years of service to the District, or who retires through normal, early or disability retirement under the Omaha School Employees' Retirement System, or is terminated due to reduction in force, shall be paid or applied to provide supplemental retirement or post-retirement medical care benefits as follows:

The applicable dollar amount of the employee's unused sick leave shall be calculated as follows: 50% of the employee's contracted daily rate at the time of retirement or resignation, termination due to reduction-in-force, or death multiplied by the number of

unused sick days, not to exceed the maximum days accumulation as defined in Section IV, A, Paragraph 1.

If the employee dies after 18 creditable years of service to the District, the applicable dollar amount of the employee's unused sick leave shall be paid to the employee's estate in a lump sum within 60 days of the employee's death.

If the number of the employee's unused sick leave days at the time of the employee's resignation or retirement is less than 10, the applicable dollar amount of the employee's unused sick leave shall be paid in a lump sum to the employee within 60 days of such resignation or retirement.

If the number of the employee's unused sick leave days at the time of the employee's resignation or retirement is 10 or more, the applicable dollar amount of the employee's unused sick leave shall be applied to provide supplemental retirement income benefits and/or post-retirement medical care benefits pursuant to the terms and conditions of the District's Accumulated Sick Leave Conversion Plan. The employee shall not have any option to receive a cash payment of the applicable dollar amount of the unused sick leave or to have the unused sick leave applied to provide any form of benefit that is not provided under the District's Accumulated Sick Leave Conversion Plan.

A full-time certificated employee who is terminated from employment because of a reduction-in-force shall, regardless of the number of the employee's creditable years of service to the District, be paid the applicable dollar amount of the employee's unused sick leave in a lump sum within 60 days of such termination.

B. Personal Leave

- a. New employees will receive one personal day at the beginning of each semester during their first year of employment. Employees commencing their second creditable year of service will receive two personal days per year. Employees commencing their sixteenth creditable year of service will receive three personal days per year. Unused personal days will be paid out prior to the next academic year at the approved daily rate for substitute teachers. Whenever possible, business transactions shall be scheduled at the end of the student scheduled day. At their discretion, principals are authorized to release teachers for such transactions which are similar to early release to attend meetings or university classes.

PLEASE NOTE: Personal leave cannot be requested during the first five student contact days or on days when parent/teacher conferences are scheduled (exceptions shall be granted in the event of an emergency after consulting with your direct supervisor) or the last ten contracted days or on days immediately preceding or following a district observed federal or school holiday and/or recess period except for the following reasons (Personal leave requested for these days for one or more of the reasons listed below must be done in writing on the appropriate form.):

- (1) A leave will be granted for an employee's wedding or a wedding of the parents, children, grandchildren, or brothers/sisters of an employee. Wedding leave must begin no later than two working days following the actual wedding day.
- (2) For legal arrangements which are related to the settlement of the estate of a relative.
- (3) To comply with a court summons when it does not involve an instance where the employee has violated the law.

This rule applies only to immediate relatives where the presence of the employee is necessary (or the illness is of a very serious nature). Immediate relative shall be interpreted to include the employee's spouse, parent, child, mother-in-law, father-in-law, brother, sister, son-in-law, daughter-in-law, grandparent, grandparent-in-law, grandchild, aunt, uncle, niece, nephew, or any other individual who is a permanent resident in the employee's home for whom the employee has specific responsibility.

- (10) To attend the graduation, ordination, or similar ceremony of an immediate relative. Immediate relative shall be interpreted to include the employee's spouse, parent, child, mother-in-law, father-in-law, brother, sister, son-in-law, daughter-in-law, grandparent, grandparent-in-law, grandchild, aunt, uncle, niece, nephew, or any other individual who is a permanent resident in the employee's home or for whom the employee has specific responsibility. Travel consecutive with the event will be allowed within the two-day personal leave provision.
- (11) To close on a house which will be the primary residence of the employee, only if the closing cannot be scheduled outside normal duty hours.

C. Bereavement Leave

- a. Absence from work will be allowed so that the employee may have four consecutive workdays following the death of an immediate relative without loss of pay. Employees who are required to travel a minimum of two hundred miles (200) one way to attend the

funeral of an immediate relative will be granted an additional day of leave. This rule applies only to an immediate relative, interpreted to be as follows: an employee's spouse, parent, child (including stillbirth and miscarriage), brother, sister, stepparents, stepchildren, stepsiblings, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent, grandparent-in-law, great-grandparent, great-grandparent in-law, grandchild, aunt, uncle, niece, nephew, cousin, or any other individual who is a permanent resident in the employee's home.

- b. For the purpose of attending the funeral of any other near relative, an employee may be allowed a maximum of one day's absence without loss of pay. Employees who must travel a minimum of 200 miles one way will be granted an additional day of leave.

Notice of the need for bereavement leave must be given within 5 days following the death of the relative and leave will be arranged in conjunction with the service of the deceased family member. The District may require an Employee to submit documentation (e.g. service program or obituary) to the Department of Talent Services upon request.

D. Adoption Leave

Adoption leave will be permitted to be taken by an adoptive parent for the same time and on the same terms as an employee is permitted to take a leave of absence upon the birth of the employee's child. The adoptive parent leave of absence begins following the commencement of the parent-child relationship. The parent-child relationship commences, for purposes of adoption leave, when the child is placed with the employee for purposes of adoption. An employee's entitlement to FMLA leave for the placement of a child for adoption or foster care expires 12 months after the placement. Advance notice of an anticipated adoption shall be provided by the employee to the Superintendent or designee as soon as possible.

E. Child Rearing Leave

Child rearing leave may be provided to one parent for reasons of adoption, biological childbirth, or the need to provide parental care for a child or children for an extended period of time. Upon application to the Superintendent, child rearing leave without pay shall be granted if the request is made prior to March 15 of the previous contract year. Child rearing leave without pay may be granted if the request is made after March 15 of the previous contract year. Only one District employee per household may be granted child rearing leave in any one school year. An employee may only take one year of child rearing leave for each child of the employee.

Exceptions for emergencies will be handled on a case by case basis. A supporting statement from a physician may be required. Child Rearing Leave is only available after exhausting FMLA benefits.

F. Absence for Professional Purposes

Covered employees (classroom teachers, nurses, teacher leaders, helping and lead teachers) may be excused for professional purposes without loss of pay upon written application to the Superintendent or the Superintendent's designee. All absence for professional reasons, that is those reasons which will benefit and promote the work of the District, must be approved twenty school

days in advance before such absence may be granted. The Chief Talent Officer may grant an exception to this requirement on a case-by-case basis. The central office must also grant permission for such absence in writing, and notation of this fact must be made on the payroll by the certifying person.

Substitute teachers may be provided at Board expense for such approved absences. Upon recommendation of the Superintendent, professional staff may be reimbursed for approved attendance at such professional meetings out of Board of Education funds. For budgetary purposes, as much planning as possible should be made one year in advance.

G. Health Leave

Any employee, may upon proper application to the Superintendent and approval of the Board of Education, be granted a leave of absence for health reasons. Health Leave is only available after FMLA benefits have been exhausted.

Such application should be submitted as soon as the reasons are known or a medical condition is diagnosed. Leaves of absence for study may be granted only to an employee who is a permanent certificated staff member and has served more than five consecutive years in the District at the time of application for the leave.

Members of the bargaining unit, when granted leaves of absence, shall not be guaranteed immediate employment upon their return unless they return to duty on the first day of the school year or on the first day of the second semester of the school year. Notification of such return must be given to the Superintendent in writing at least 30 days preceding the end of the semester prior to their return.

An application for leave of absence for health reasons must be accompanied by a statement from the employee's physician. The employee shall notify his or her immediate supervisor and the Department of Talent Services as soon as the health condition has been medically confirmed. The physician's statement shall confirm the condition, and indicate an opinion as to the employee's physical and mental ability to continue employment, the date of scheduled surgery or expected delivery, and the date beyond which the employee should not continue to work. The Superintendent may designate a second physician to conduct an examination to confirm the opinion of the employee's physician.

A leave of absence shall be granted without pay for such period as the Superintendent may determine, but not to exceed the school year in which the need for the leave exists and may be subject to renewal provided the need continues. The actual starting time of a health leave will be at the discretion of the Superintendent based upon the physician's statement, the ability of the employee to perform normal duties, the health and safety of the employee, and in the case of teachers, the continuity of instruction.

H. Military Leave

Any employee called to active service shall be eligible for Military Leave in accordance with Nebraska Revised Statute 55-160 and the Uniformed Services Employment and Reemployment Rights Act.

I. Elective Office Leave

1. Elective Public Office Leave: An employee may take a leave of absence when elected to an elective public office. Requests shall be submitted in writing to the Superintendent who shall, in turn, make a recommendation to the Board of Education for final action.

The leave of absence is limited to the initial elective term sought and won by the employee. The subsequent election to the same office or a different elective position may result in an extension of the leave of absence. Appointment to an unexpired term calling for service in office greater than one-half of the regular term of that office shall qualify for, and be treated as a leave of absence for one term of office.

Leaves of absence granted under this section shall be treated in exactly the same manner as other official leaves in regard to right to re-employment, fringe benefits, etc.

The individual shall be required, six months prior to their returning to the District, to give notice of his or her intentions regarding continued employment by the District. Certificated staff members shall be required to give notice of their intention one semester prior to their return to the District.

If the individual should resign the elective office during the tenure of the leave of absence, such action shall automatically terminate the leave of absence granted by this section. Acceptance of any other full-time position while on a leave of this nature shall also effectively and automatically terminate said leave of absence.

2. Officer or Executive Committee of a State or National Professional Association: An employee may take a leave of absence when elected as an officer or to the executive committee of a state or national professional association related to the education profession.

Leaves of absence granted under this section shall be treated in exactly the same manner as other official leaves in regard to right of re-employment, fringe benefits, etc. A leave of absence granted pursuant to this section shall not exceed six years in length.

The Board of Education shall pay the Association president during his or her term in office. K. Association Leave

Annually, Association Leave without loss of pay shall be available to designated members of the Association for the purpose of attending conferences, meetings, or conventions which are related to conducting Association business. The Association Leave shall be only for the purposes of professional Association business at the local, state, or national level and all such days shall require the authorization of the Association President with administrative approval. Excluding leave specifically for negotiations, no individual association member's association leave shall exceed five (5) days per school year. However, members serving as elected officials on state or national

committees may take more than five (5) days leave provided the District is reimbursed the cost of the substitute teacher for each day of leave beyond five (5). Requests should be made in advance through the Office of the Superintendent.

L. Status Upon Return from Leave

An employee on a leave of absence shall not receive credit toward advancement on the salary schedule nor shall such time count as years of service for the purpose of acquiring continuing contract status. At the employee's request, an employee on a leave of absence shall receive credit toward retirement as provided for in Section 79-990 of Nebraska Revised Statutes. The employee will retain the number of accumulated sick days held prior to the effective date of the leave.

M. Failure to Return from Leave

A position for an employee shall no longer be held if the employee on leave of absence remains away from duty beyond the expiration date of approved leave or renewal of leave.

Instructional staff in secondary and alternative programs shall have no less than 350 minutes of plan time during each five-day instructional cycle at the discretion of the teacher for the duties described in section VI.C.1. Effective on the last day of this Agreement, the minimum plan time for secondary and alternative programs during each five-day instructional cycle shall increase from 350 minutes to 390 minutes. The instructional leadership team may schedule additional team/department plan meetings to be used for grade level collaboration, curriculum meetings, or professional learning communities, to meet and discuss matters relevant to classroom instruction or the school improvement plan.
10. As a requirement for meeting accreditation through the Nebraska Department of Education ("NDE"), all high and secondary alternative education programs are expected to engage in collaborative team plan time during the duty day on a regular basis. Each school will determine the frequency, duration, and purpose of team plan time meetings, with a minimum frequency of two meetings per month. Such decisions shall be made in collaboration between teachers and administration with the understanding that the agreed upon collaborative team plan time will be in lieu of, not in addition to, the above described high and secondary alternative education school plan time.

11. This provision requires administrators and teachers at all middle schools to collaborate periodically on their current practice in each building which may but does not require a building to change current practices regarding collaborative team plan time. Each school will determine the frequency, duration, and purpose of team plan time meetings.

D. Staff Meetings

Faculty meetings are to be held to a maximum of two meetings per month, and shall be limited to 60 minutes in duration. Faculty meetings are meetings where all staff is required to attend.

Staff may be required to attend additional committee meetings, as determined by the committee in collaboration with the Building Administrator. Committee meetings are not staff or faculty meetings.

E. Acceptable Dress and Appearance

The cooperation and good judgment of all employees in the matter of dress helps to insure a proper image for students and a professional appearance for visitors to the school. No printed guideline on acceptable dress can anticipate every possibility. The principals and/or supervisory personnel who are in the best position to make judgment concerning the appropriateness of the attire should provide necessary counseling and correction as the need occurs.

F. Citizenship Rights

It shall be the policy of the Board of Education to guarantee all employees of the District full political equality with other citizens in the exercise of their political rights and responsibilities with the statutes of the State of Nebraska.

G. Collaboration

The OEA and the District are committed to the concept of collaboration. To demonstrate that commitment, the OEA and the District agree to establish a forum for ongoing collaboration. The professional collaboration will focus on the following topics: cultivating a collaborative culture, staff safety, peer assessment and review, teacher accountability and effectiveness, and other topics as mutually agreed upon by the OEA and the District. The forum for ongoing collaboration will be as follows: the Superintendent will visit the OEA Executive Board meeting on a quarterly basis, the OEA President will visit the principal meeting on a quarterly basis, and the length of each visit will be mutually agreed upon.

H. Staff Entry to District Sport Events

Staff members with current District identification will be allowed entry for the staff member and their immediate family (spouse and children under 18 years of age) into any District spectator sport event.

I. Association Representatives

1. The Association shall have the right to have an association representative or representatives at each work site as specified in the current Association bylaws.

2. Association representatives may schedule, with the approval of the principal or the principal's designee, Association meetings before or after school or during the duty-free lunch where such meetings do not interfere with normal duties and conduct of business at the school.
3. Generally, the second Tuesday of every month shall be reserved for Association meetings outside the school for all association representatives after normal duties are completed.
4. The association representative may, with the principal's approval, be given time at each faculty meeting for announcements.

J. Association Use of School Facilities

1. The Association will be allowed use of school buildings for meetings without cost as approved by the appropriate administrative office provided that such meetings do not interfere with the normal operation of the school.
2. Meetings of the Association groups within a school shall be arranged for in advance through the office of the principal.
3. The Association will be allowed to place Association notices, circulars, or other material through the school delivery service and the building mailboxes. The Association shall deliver its mail for distribution to the central mailroom and sort the mail for delivery to each school.
4. The Association will be allowed to place notices, circulars, or other material (exclusive of local, state, and national political campaign material) dealing with activities or concerns of the Association on a bulletin board located in faculty lounges and such other places as designated by the building principal.
5. Upon request of the Association or a member of the bargaining unit to the principal of the school, a designated Association staff representative will be admitted to the building for the purpose of assisting in the adjustment of grievances.

K. Association Participation in New Teacher Orientation

Time will be provided for the Association on the agenda of the general orientation programs for new teachers.

L. Loss of Seniority

Seniority shall end upon resignation, failure to be re-elected, retirement, failure to return to work at the expiration of a leave of absence, failure to be recalled from layoff within twenty-four (24) months from the date of layoff, or termination of employment for any other reason.

M. Grievances

1. Grievances, complaints and communications from employees associated with the Omaha Education Association shall be initiated in the following manner:

a. STEP ONE

If the employee has a grievance, the employee should, within 20 working days of the incident, first discuss the matter with an immediate superior (at the building level the immediate superior is the principal) in an effort to resolve the problems informally. A representative of the Association's staff may be invited to attend by either party. If the subject of the grievance extends beyond the authority and jurisdiction of the building principal, the employee may discuss the matter with the Chief Talent Services Officer.

If the employee is not satisfied, the employee shall have the right to have an Association representative's assistance in further efforts to resolve the problem.

b. STEP TWO

If the problem is not resolved through the aforesaid procedure, then within 20 working days of the incident, the aggrieved person must submit a grievance in writing to the principal or to the person to whom the aggrieved is directly responsible. The person to whom the grievance has been submitted shall have a reasonable period, not to exceed 10 working days, to render a decision and the reasons therefore in writing to both the aggrieved person and to the Association.

c. STEP THREE

If the aggrieved person is not satisfied with the disposition of the grievance, an appeal to the Superintendent should follow within 10 working days. Within 10 working days after receipt of the written appeal, the Superintendent or designated representative(s) shall conduct a hearing with the aggrieved person. The Association's staff may be invited to attend, by either party, and participate in any hearing of the Superintendent or designated representative(s) with the aggrieved person.

The Superintendent shall within 10 working days of the hearing render a decision and the reasons thereof in writing to the aggrieved person with copies to the Association and to members of the Board of Education.

d. STEP FOUR

Should the aggrieved person so desire, the decision of the Superintendent may be appealed to the Board of Education. Such a request should be sent to the Secretary to the Board of Education within 10 working days of the receipt of the Superintendent's decision in the matter. Such an appeal shall be in the form of a written request for a hearing before the Board of Education.

At the first meeting after receiving a grievance, the Board of Education shall set a hearing date which shall be within 10 working days. The aggrieved person shall, at this hearing, have the right to be assisted by a member of the staff of the Association and/or an attorney of his/her choice.

The Board of Education shall within 10 working days of the hearing render a decision in the matter and direct its Director to provide written notification of its decision to the aggrieved person and the Association.

A similar procedure shall be followed by employees other than those who are members of the Omaha Education Association.

- e. If the employee has a complaint other than a grievance, the employee may use steps a through c outlined in the grievance procedure above. Employees or groups of employees desiring to address the Board of Education on any matter shall direct their communications to the Secretary, not to individual members, except that copies of any communication may be sent to all members.

An advisory committee of selected personnel shall be appointed by the Superintendent upon the advice of the Chief Talent Officer, to maintain a continuous liaison with all employees relative to maintaining high morale and professional growth among all employees.

2. All complaints shall be in writing, and no anonymous correspondence may be considered officially by the Board of Education.

It shall be understood by all parties involved in the grievance procedure that no reprisals of any kind, implied or intended, shall be brought against the person or persons involved in the resolving of the grievance.

N. Personnel Files

Any teacher or full-time employee of the District shall, upon his or her request, have access to his or her personnel file maintained by the District and shall have the right to attach a written response to any item in such file. Such teacher or employee may in writing authorize any other person to have access to such file, which authorization shall be honored by the District. Such access and right to attach a written response shall not be granted with respect to any letters of recommendation solicited by the District which appear in the personnel file. No other person except school officials while engaged in their professional duties shall be granted access to such file, and the contents thereof shall not be divulged in any manner to any unauthorized person.

O. Contract Variance

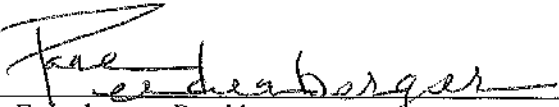

Both the Board of Education and the Association take pride in the creativity and dedication of this district's professional educators and realize this contract may not be able to anticipate all innovative approaches to programs and services provided for students and professional staff. In an effort to foster innovation and maintain the highest possible quality educational opportunities for students, contract provisions as discussed below may be waived.

Schools are encouraged to implement innovative approaches brought about as a result of the school improvement planning process and approved by the Principal and the Superintendent. The Association or the Board of Education may also bring forward innovative proposals that have a district-wide impact. If such innovations are deemed to be at variance with the contract, a waiver may be requested, before implementation, by representatives of the Omaha Education Association and/or representatives of the Board of Education. The specific variance request will be reviewed by representatives of the Association and the Board; a contract waiver will be allowed if agreed

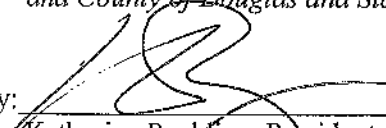

upon, in writing, by both parties. Waivers approved through this process will remain in effect through the duration of this Master Agreement.

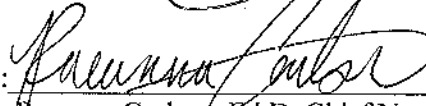

This one year (2026-2027) Agreement was reached on March 23, 2026. In witness whereof the parties hereto have caused this Agreement to be signed by their respective presidents and attested by their representatives.

Variance 2026-2027**

THIS AGREEMENT is made by and between the Omaha Education Association ("OEA") and Douglas County School District No. 0001, a/k/a Omaha Public Schools ("School District").

Under the terms of the 2026-2027 Master Agreement, bargaining unit members perform 188 service days a contract year. In order to meet the goals and requirements of the Kellom and Conestoga School Early Childhood Program, the parties agree as follows:

1. The 2026-2027 contract years, bargaining unit members assigned to the Kellom and Conestoga School Early Childhood Program will work an additional eleven (11) days for a total of 199 service days and will be paid at a rate of 105.85% of the applicable rate on the salary schedule.
2. Five (5) of the additional eleven (11) service days identified herein shall be non-student contact days and shall be for the purpose of Professional Development as outlined in the School District's contract with the Learning Community. One such Professional Development day may include a conference approved by the Learning Community and the School District. Conference transportation (including cabs and shuttles), registration fee, hotel, meals (three per day) and incidentals will be paid by the School District in accordance with Policy 8231.
3. The remaining six (6) additional service days, or 45 hours, may be completed in hour-long or half-day increments on student-contact days through extended duty hours. Five hours per month shall be completed outside of the regular duty hours as assigned by the administration.
4. Bargaining unit members assigned to the Kellom and Conestoga School Early Childhood Program shall be informed no later than July 1 of the specific additional service days to be performed the next contract year. 5. The additional service days and associated compensation provided herein shall be subject to continued funding for the Early Childhood Center and Learning Community Funding by the Nebraska Legislature; provided, however, bargaining unit members will be paid as provided by this agreement for any days worked prior to the loss of funding through the Learning Community.
